

Job Description: Physiotherapist

About My Therapy Crew

My Therapy Crew is a family-owned and run, growing allied health business providing mobile and in-clinic therapy to the Brisbane community and surrounds. Our vision is to make a positive impact in the lives of our clients and crew. We do this by offering a holistic care approach to our valued clients, and a fulfilling and supportive workplace for our crew. Our values include always learning, contributing, being dependable and nurturing and these influence all we do. If you are looking for a crew that wants to see you flourish and reach your potential, then consider being part of ours!

About you

- The successful candidate must be able to provide evidence-based, person-centered assessment, clinical management, and intervention to our clients.
- Ability to work in a dynamic and evolving multi-disciplinary team focused on achieving client outcomes while meeting clinical targets.
- Have good communication skills and an ability to adapt to working with people with different personalities and communication styles.
- It is essential that they connect with our vision and values and is able to endorse them in their behaviour.

About the Role

- Community-based Physiotherapy Role
- Full-time or Part-time, minimum 3 days per week with the option of working on Saturday or evenings.
- You will be working with clients who have a lifelong disability that may be congenital or acquired.

OUR VALUES:

ALWAYS LEARNING | CONTRIBUTING | DEPENDABLE | NURTURING

- No two days look the same at MTC. We go above and beyond to meet client's needs by offering in-clinic appointments, home appointments, hydrotherapy and even the local gym!
- Your caseload may be paediatric, adolescent, adult or mixed depending on your skill set or the needs of My Therapy Crew.
- Your caseload may feature clients with a physical, intellectual, or psychosocial disability.
- You will be well supported by a Senior Physiotherapist, Allied Health Assistants, and a strong Administration Team, including a Resource Officer.
- Your day-to-day will involve seeing clients face to face, completing notes, making resources, liaising with other stakeholders and report writing as required.
- We provide a vast array of physiotherapy services. We will tailor your caseload to your skills where possible, depending on the needs of the clinic. You may be working on mobility aid prescription, personalised exercise prescription and training, hydrotherapy, injury rehabilitation, women's health and/or pain management.

The benefits

- Competitive salary & bonus plan for high performers.
- In-house weekly CPD and monthly peer mentoring.
- A realistic, expected billable target, is approximately 66% of your work time.
- Additional competitive CPD allowance.
- Opportunity for flexible work schedules around your personal and flexible needs i.e., capacity to work around day-care days.
- Minimum fortnightly supervision from a senior
- Reimbursement for client-incurred travel costs i.e., tolls and parking.
- Well-established administration support is readily available to arrange appointments for non-clinical tasks, i.e., scheduling appointments and following up with suppliers.
- Being part of a multi-disciplinary team allows for holistic care and allied health assistance for additional support and collaboration.

- Regular team bonding opportunities.
- Strong emphasis on workplace culture and values. You will be part of a crew that thrives on always learning, contributing, being dependable and nurturing each other so that we can have a positive impact.
- Participating in project work of interest to yourself or based on the needs of the clinic.
- Minimum fortnightly supervision from a senior or experienced Physiotherapist (pro-rata).
