

PARENT & CARER SUPPORT GROUP

Whether you are new or experienced to supporting someone with a disability, it can be reassuring to speak with other parents and carers who are travelling on a similar path. It can be a wonderful source of support and information sharing.

Come along and be supported by My Therapy Crew team members as they chat with you further about your journey and support you and your wellbeing.

Thursday 5th September 2024

6pm - 7.30pm

Location: Upper Mount Gravatt
